Deputy Commissioners Office
Hassan District

Dated Hassan 15th March 1902

From,

D. Desai Raj Urs Esq. B.A.
Deputy Commissioner
Hassan District.

To,

L. Anantha Swami Rao Esq. B.A.
Deputy Secretary to the Govt of Mysore
in Charge of District Branches.

Sir,

I have the honor to state that the Government in the Districts Department were pleased to sanction 2 estimates one for Rupees 190 and the other for Rs 440 for repairing Santeswara Bask and Bhandard Bask respectively at belagula Chennarayana Taluk in their order No 450-1 Dated 11th Decr 1891 and on the 5th March 1891 an estimate for Rs 24 was sanctioned repairing

repairing Syasana basti at the same place.

2— The actual costs of work done in respect of the 1st two works were Rupees 131-8 and Rupees 343 respectively towards which Rs 30/- and Rupees 20 were advanced to the Contractor for collection of materials. When the measurement bills for the aforesaid works were submitted for countersignature it would appear that by oversight the amounts advanced were not taken into account and accordingly the bills were passed by Government only for Rupees 101-8- and Rupees 323-.

3— As regards the 3rd work namely repairs to Syasana basti the amount of estimate namely Rs 24 had

had been exceeded by Rs 26-9-11,
but the total cost of Rs 50-9-11
was sanctioned by Government
in their proceedings No. 1140-1
Rev. 132-92
Dated 9th May 1896.

4 ——— Meanwhile a sum of
Rupees 180 was drawn as an
advance and paid to the
contractor for the execution
of repairs. Against this advance
item the passed bills for Rs 101-8-4

and Rupees 50-9-11 above mentioned amounting to Rs 152-1-11
were admitted,
leaving a balance of Rs 27-14-1
in the ^{list of} head adjusted advances.

5 ——— As the Amildar reports
that the works have been
satisfactorily executed, I beg
to submit herewith two bills
being

being the balances of Rs 30 and
Rs 20 on account of the repairs
of Santēswara and Bhander
basties and to request that you
will be pleased to ^{obtain} sanction
of Government for the same
so that the sum of Rs 27-14¹ yet
remaining as unadjusted advance
may be adjusted and the balance
yet due to the contractor paid to him.

6_____ The file of Vernacular papers
ending with Chennarayana
Amildars report no. $\frac{66}{170}$ Dated
7 ~~Oct~~ 1901 is herewith submitted
for reference.

I have the honor to be,
Sir,
Your most obedient servant

In reply to the above, has the honor to state that in the Government proceedings referred to it is stated that the measurement list for Rs 343 is countersigned and forwarded to the Comptroller for audit for Rs 323 only, thereby excluding Rs 20/- originally advanced to the Contractor for the collection materials (vide audited bill for Rs 323 on the Vernacular file). Thus the sum of Rs 20/- still remains unadjusted. The undersigned therefore requests that the bill Rs 20/- may be kindly sanctioned and forwarded to the Comptroller for audit.
